Dear Parents

Adult Education Programme at St Chad's Catholic High School 2007/08

As part of our commitment to the local community and life long learning we are looking to add additional adult education classes to our current provision from September 2007 – June 2008. Before we can develop the programme we would like to know what courses you would like. Over the last couple of weeks we have secured some funding for the adult education programme, this means that some of the courses will be free, whilst others will charge a small fee.

Attached to this letter is a questionnaire, I would be grateful if you could complete and return to me as soon as possible so that I can start looking at the development and organisation of the programme. If you would rather complete online and email in, please go onto the school website, click on Quick Links: The Extended School; Adult Learning. Click on the link: Adult Learning questionnaire and then email back to adulthoodeducation@st-chads.halton.sch.uk.

Once we have gathered the results from the questionnaire will be able to produce an information pack on courses available from September 07. I would like to thank you for your time in completing the questionnaire, once you have completed it please could you get your son/daughter to bring it into school and hand into me. Finally we hope to see you in September.

Yours sincerely

Miss S J Down
